

THE BURLINGTON OLD TIMERS SOCCER CLUB

Established 1985

NOTICE TO MEMBERS

APRIL 4TH 2023

The City of Burlington has advised the Club that during the 2022 season there was a complaint registered by a neighbour, whose property is adjacent to one of our venues, regarding a member (unnamed) of the Club.

The complaint stated that the member had relieved themselves in public.

We have been reminded by the City that this is not permitted and is a potential reason for loss of permit.

The Executive reminds all members that there are no Public facilities at some of our venues and should bear that in mind when preparing for the day. Members should not relieve themselves in public and your cooperation will be appreciated.
