

Murphy-Turliuk, Anne

1958-2022

Peacefully at Margaret's Place Hospice in Dundas, on Wednesday, February 16, 2022, in the loving presence of her family. Devoted wife of Robert Turliuk and loving mother of Jennifer and Stephen Turliuk all of whom she was justifiably proud. Predeceased by her parents John and Jean Murphy. Survived by overseas cousins who guided Anne in her younger years, and who have provided fun times with Anne and family during her adult years with visits across the respective oceanic ponds.

Anne was an amazing and loving mother, wife, daughter and a cherished friend. She was an Occupational Therapist who made great contributions to the field, and a committed volunteer. Keen on sports, the outdoors, an avid gardener, and a very accomplished windsurfer and sailor (RHYC, PSYC). Anne enjoyed adventuresome travels with her family.

Anne will be remembered for her hearty laugh, warm smile, elegance, charm, intelligence and most importantly the kindness, support and respect with which she treated everyone around her. Anne served as a mentor to many, encouraging them to proceed into uncharted territories, taking risks along the way to their various goals.

Many thanks to her oncologist Dr. R. Juergens, and the caring, compassionate staff at the Juravinski Cancer Centre. Heartfelt thanks to the expert staff at Margaret's Place Hospice including Dr. A. Boyle, the RN's, RPN's, and PSW's, who during Anne's short stay assisted her in transitioning to the next destination in the universe. We thank Anne's dear friends and relatives, many of those connected with the Caring Village, who stepped up to support Anne and her family in much the same way that she often served others. Anne loved sunsets and was hoping that she could be part of creating our future sunsets during her spiritual and eternal life.

As per her wishes, cremation has taken place. For those wishing to do so, a donation to the Royal Botanical Gardens (www.rbg.ca/donateonline) for a memorial platform lookout spot in Anne's memory would be appreciated. Or if desired, donations can also be made to Wellwood (www.wellwood.ca) who assisted Anne and her family in her journey.

A Celebration of Life will take place at the Royal Hamilton Yacht Club on Saturday, February 26th 2022 from 3:30-5 pm. Due to Covid-19 restrictions and provincial regulations, only a limited number of guests are able to attend at one time. Proof of double vaccination will be required for entry. To avoid any capacity limitations-please RSVP at <https://annemurphyturliuk.theplot.com/events/108#/> to assist the family in planning for the event.
